

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

**CORRECTED
FISCAL MEMORANDUM**

HB 2451 - SB 2360

March 16, 2022

SUMMARY OF BILL AS AMENDED (015418): Requires parental consent for students under the age of 18 to participate in a mental health screening. Prohibits a healthcare practitioner from providing a minor with a vaccine or injection, except for certain emergencies, without parental consent. Deletes certain provisions allowing healthcare professionals to provide certain medical treatment to minors.

FISCAL IMPACT OF BILL AS AMENDED:

The fiscal memorandum has been updated to correct the fiscal impact.

(CORRECTED)

Other Fiscal Impact - Passage of the proposed legislation could jeopardize federal Title X funds to the Department of Health.

Assumptions for the bill as amended:

- Confidential family planning access for all individuals, including those under the age of 18, without mandating parental consent is required under federal Title X grant regulations. Passage of the proposed legislation could jeopardize federal Title X funds to the Department of Health (DOH). DOH receives approximately \$8,800,000 per year.
- LEAs will be able to amend their policies and procedures to conform with parental consent requirements within existing resources and during the normal course of business.
